

UNIVERSITÉ DE NANTES

Application for Admission to International Master Degree in Science and Technology (Master 2)

Period: 2018 – 2019

Admission to an international master program

For students who come from Partner University (and who want to book a student room): deadline 15th March 2018

For students who enrol on Campus France and for other individual applicants (who come from country out of Campus France procedure): deadline 31st May 2018

Before this deadline please send us the following files below :

- **This application form filled**
- **Copies of your transcript (academic scores)**
- **Detailed CV in English (including the precise content of your studies, which topics were studied each year, grades/marks obtained, score obtained for an international test of English, reports you may have written during your studies)**
- **Cover letter**
- **Recommendation letter (if you have)**
- **Copy of identification (passport...)**

The selection committee composed of the involved professors will take the final decision.

All the courses are taught in English, the tuition fees for the master program are **7500 euros** for 2018-2019 (except for Master **MBE: 12 000 euros for individual applicants**). Up to that, you should be aware that the cost of life is about 800€/month.

Program, please make your choice:

- Data Science (DS)
- Visual Computing (VICO)
- Electrical Engineering
- Wireless Embedded Technologies (WET)
- Microalgae Bioprocess Engineering (MBE)
- Thermal Sciences and Energy (TE)

Last name (Family Name):

Sex: M / F

First name (Given Name):

Post Address (as you write it on an envelope):

Email:

Telephone:

Date birth (00/00/0000):

Place of birth:

Nationality:

Family status (married, single...):

1- Education:

Years	University or School	Degree earned	Specialty

2- Experiences: Internships and employments

Year	Duration	Company or Lab	Subject	Status

3 - Other experiences:

4-Motivation: (10 lines)

5- Miscellaneous

Level of English (reading, writing, speaking, listening):

Level of French (reading, writing, speaking, listening):

Source of funds: (where will the money come from to pay for this program?)

Please send your application to:

Master 2 in Data Science: master-datascience@univ-nantes.fr

Master 2 in Microalgae Bioprocess Engineering: master-mbe@univ-nantes.fr

Master 2 in Electrical Energy: master-ge@univ-nantes.fr

Master 2 in Thermal Science and Energy: master-te@univ-nantes.fr

Master 2 in Visual Computing: master-vico@univ-nantes.fr

Master 2 in Wireless Embedded Technologies: master-wet@univ-nantes.fr
